

La Plagne Skiing Holiday
14th March 2020

For many years we have run successful holidays through Crystal (Tui) to the Terra Nova, now we are planning for next year. It is to be a joint holiday Southern Ski Club for the Disabled SSCD and Aldershot Skiing for the Disabled ASD. The holiday is described as half board, in practice there is the facility to purchase a snack lunch and normally many elected to regroup for lunch together in the Hotel Bar or veranda.

“The Terra Nova has a superb location in Plagne Centre the foot of the pistes, so you can ski back to the door and in the morning the chairlift is just on your doorstep. You can be assured of a high quality, friendly service in a fantastic location. All meals are served in the hotel's panoramic restaurant with fantastic views the slopes. The hotel offers an excellent range of rooms, including Accessible, making it a good family option with both twin, triple and interconnecting rooms available”

We have strict Health and Safety ratios of Guides to Skiers, so no Skier's place is guaranteed until we have enough Guides to meet the ratio.

To start the process, we are asking for a written expression of interest to Ian Edwards by 15th July. You will need to state in what capacity you are coming, Skier, Sit-Skier, Guide, Skiing Helper or Non-Skiing Helper, plus if an Accessible room is required. Once I have the Safe Ratio, I can then reserve rooms and a £175 deposit will be required. Rooms are limited so only prompt responses can secure the Holiday.
